Wholesale Price List of ROOTS, GREEN PLANTS and ROOTED CUTTINGS

The Whirlwind

Inf., Dec. 7" x 4". Score 84

This new dahlia is entirely different in its aristocratic formation. Combined with its beautiful colors of Apricot-buff on the face and a strawberry reverse which shows as each petal twists completely around, with no tendency to become a cactus except at the tips where it shows its face color again. A good keeper and excellent for basket work. Long stems on five ft. plants.

Professor Wildon reports that he believed this dahlia would have obtained a certificate if he had received earlier plants.

Mr. Burkhardt (B & B Gardens) writes "The dahlia sent me for trial did very well and has a beautiful formation."

ROOTS	PLANTS	CUTTINGS
\$5.00	\$2.50	\$1.65

Green Plants: Our green plants are grown in 3 in. pots under moderate heat. Well hardened off before shipment. Can be shipped any time after May 1st.

Rooted Cuttings: These are well rooted and are easily shipped. However we do not guarantee these but add extras in case of loss.

Terms: Cash with order, or balance before shipment. Orders shipped by express unless postage is sent with order.

Notice: This is a wholesale list and unless you are a commercial grower or sell dahlias you must add 1-3 to price list unless order amounts to \$7.00.
